

Dr. Felice Gersh on International Women's Day – “I Choose to Challenge the Medical Status Quo”

Editor's Note: CommPRO reached out to Dr. Felice Gersh, a multi-award winning physician with dual board certifications in OB-GYN and Integrative Medicine to share her thoughts about what she “chooses to challenge.”

About: *Felice Gersh, M.D. is a multi-award winning physician with dual board certifications in OB-GYN and Integrative Medicine. She is the founder and director of the Integrative Medical Group of Irvine, a practice that provides comprehensive health care for women by combining the best evidence-based therapies from conventional, naturopathic, and holistic medicine. She taught obstetrics and gynecology at Keck USC School of Medicine for 12 years as an Assistant Clinical Professor, where she received the highly coveted Outstanding Volunteer Clinical Faculty Award. She now serves as an Affiliate Faculty Member at the Fellowship in Integrative Medicine, through the University of Arizona School of Medicine, where she lectures and regularly grades the case presentations written by the Fellowship students for their final exams. Felice Gersh, M.D. is the bestselling author of PCOS SOS and the PCOS SOS Fertility Fast Track. Notably, Dr. Gersh has articles published in prestigious medical journals, is a prolific lecturer, nationally and internationally, and has been featured in multiple films and documentary series, including The Real Skinny on Fat with Montel Williams and*

Fasting with Valter Longo, Ph.D..
