

# Golden Thread Dialogue: What Our World Needs Now (POEM)

Listen to our collective genius  
Who are we in community?  
What is our Yearning?  
How can we dance with it  
Sing it  
Play with it  
Exercise our self-awareness muscle  
Make good things happen?  
Keep in mind that  
The opposite of Play

**Is Depression  
Words, phrases, ideas  
Spun together  
Using golden thread dialogue  
Creating what the world needs now  
Healing empathy.**
