

Ken Jacobs Shares 11 Things To Do If You Want To Be An Amazingly Effective Leader

It's more challenging than ever to be an effective [leader](#): We're in a new decade, there are five generations in the workplace, technology is constantly changing and being a leader is not "business as usual." I'd like to help you become that effective leader you know you can be. To that end, I've created an eBook, ["11 Things To Do If You Want To Be An Amazingly Effective Leader"](#) to help you navigate leadership opportunities and challenges you may face.
