Now in its 14th year, United Way of New York City's WOMEN UNITED's Power of Women to Make a Difference Award Luncheon honors the achievements of outstanding women leaders, whose professional accomplishments are matched by their commitment to philanthropy and giving back to their community.

The Power of Women to Make a Difference Awards Luncheon benefits United Way of New York City's

education campaigns, such as ReadNYC and Books from Birth. These programs empower children and families living in our city's most challenged neighborhoods to become self-sufficient.
