

# What Superheroes Can Teach You About Storytelling

*Editor's Note: Love reading comics? You're not the only one. What about these stories about super-beings keep our eyes glued to the pages and our minds salivating for more? [HighSpark](#) explores in this deck how comic writers use these storytelling techniques and how you can apply it in your presentation.*

**5 Storytelling Lessons From Superhero Stories** from **HighSpark | Presentation Design Consulting and Training**
