

Without Notes – Hosted by Michael Levine...Tom Girardi (VIDEO)

Episode 1: The Early Years

Editor's Note: We invite you to meet the legendary attorney who built a case against Pacific Gas & Electric after a contaminated leakage caused Hinkley, California residents to experience incidents of cancer and other diseases. The iconic case was the inspiration for the film "Erin Brockovich" starring Julia Roberts. In Episode 1, Girardi candidly discusses his family and his early years before law. As always, we appreciate your feedback and hope you enjoy the show.
